

## Services for International Students

Offenburg University's International Center offers a variety of services to its international students. Each of the Graduate School's study programs has a coordinator who provides comprehensive services and advice.

The International Center also encourages and provides opportunities for students to meet outside of the classroom. A variety of events and excursions are offered throughout the academic year.

### Special services for international students include:

- ▮ **Accommodation service**
- ▮ **Buddy program**
- ▮ **Orientation program**
- ▮ **Summer language course**
- ▮ **Cultural program**
- ▮ **Senior Service**

Read about some of our alumni's experiences [here](#).

**The following video shows, for example, a get-together of a German and an international study program, organized by the Graduate School:**
